Timberwolves Water Polo Club is designed to bring the highest level of year around water polo to the Clovis East Area. We believe that players develop best under a winning culture based on year-round competition and conditioning.

The first phase of practices will begin on May 21<sup>st</sup> and will consist of alternating water polo and strength training practices. Once school finishes, we will switch to our summer schedule beginning on June 11<sup>th</sup>. All participants should come prepared wearing closed-toe fitness shoes, proper workout apparel, swimsuit, towel, and water bottle.

Membership through USA Water Polo is mandatory for those participating in tournaments, but not required for participation in this camp alone. Please register using a silver or higher membership under Timberwolves Water Polo Club.
