

Timberwolves,

Being the principal of the Reagan Educational Center is a great honor. I feel fortunate to serve in this role and represent the students, parents, staff, and members of our community.

It is our goal to carry on the traditions that have been established and make us unique. We must continue to strengthen our academic and co-curricular programs that align to our district's core beliefs of being the best in Mind, Body & Spirit.

We look forward to working together to ensure your student's success. The staff is committed to going above & beyond to ensure the growth of each child. We want to challenge all of our students to become involved in every aspect of the school and have pride in being a part of the Wolfpack. The Reagan Educational Center is a special place and we will continue to work together as a cohesive family.

Thank you to all of our Timberwolf families for making the REC such an amazing place for our community. I welcome each of you to the 2017-18 school year and look forward to meeting you at registration and/or Back-to-School Night on 9/11/17.

Sincerely,

 Kevin Kerney
