THE TIMBERWOLVES FOUNDATION MISSION

We were established to enrich the educational experiences of the students and staff of the Reagan Educational Center by providing funding for academic, co-curricular and school wide needs. We are a 501(c)(3) non-profit organization that partners with the administration, teachers, students and parents to support all groups, programs, clubs and activities. We also serve as the umbrella for all fundraising activities for which our schools operate.

Membership in the *Timberwolves Foundation* helps continue the commitments to providing top notch educational and developmental opportunities for all students. Your tax deductible donation is vital to the success of our many valued programs, and we appreciate every contribution. Thank you for supporting our mission.

What does the Timberwolves Foundation do?

What a great question! If you have a child who attends the Reagan Educational Center, or if you are a staff member who works at the site, the

Timberwolves Foundation supports you!

How, do you ask? The Foundation is there to help support our students, staff and community with funding when other funding is not an option.

Here's just a small sample of some of the items we help with:

Scholarships—we granted over 20 last year!	
Athletics—uniforms, equipment, travel, tournament fees	
Band—Uniforms, equipment, travel	
Choir	Cheer
FFA	Drama
Forensics—Speech & Debate	History Day
Staff Development	Community Support
Robotics	SPED
Classroom supplies	Testing materials
Site modernization	Club activities
Grad Nite	Sober Grad
Senior Activities/Gifts	Graduation

How can you help?

The first way is by getting involved!

We hold meetings the first Monday of each month, in the library, starting promptly at 6:00 pm. We respect your time and are committed to keeping our meetings to an hour.

Then, consider making a donation.

We have several different options for contributions. Take a moment to see which one works for you. And remember, your donation is tax-deductible.

Finally, consider helping out in the Student Store or at Bingo.

You can earn money for your own student's costs by doing so! Need help buying dance shoes for your dancer? How about paying for the senior trip to Magic Mountain? Even paying for college or buying that laptop? Help offset these costs by working in the store or Bingo. These expenses, and many more, are reimbursable through the foundation if you donate your time.
