PHYSICAL EDUCATION HANDBOOK

2016 – 2017 • 2901 De Wolf Ave, Clovis, CALIFORNIA 93619

CLOVIS UNIFIED SCHOOL DISTRICT

PURPOSE

The purpose of this handbook is to acquaint you with the grading policies, expectations and procedures that will help you be successful and enjoy your Physical Education experience.

GOAL

It is the goal of the Physical Education department to provide students with opportunities to develop an optimal level of physical fitness and to develop a desire for an active and healthy life-style. These goals will be met through a variety of activities and sports. We encourage our parents to get involved in their child's wellness program at home. Active participation with your child's physical fitness at home will lead to developing healthy life long habits. It is the goal of the Clovis Unified School District that ninety percent (90%) of the students achieve at the state mean percentile or above on each component of the California Physical and Health-Related Fitness Test at the end of the school year.

We have also implemented a character education program which we hope will help the students to focus on making sound ethical decisions and help them in all areas of life.

OBJECTIVES

- To expose students to a variety of physical activities in an effort to find areas of enjoyment as well as benefits.
- To develop an awareness of the importance of personal fitness and acquaint students with programs for maintaining fitness in adult life.
- To provide instruction for the development of basic physical skills that will allow personal fulfillment in the use of leisure time.
- To help students gain knowledge about cardiovascular health, exercise, stress management, and nutrition.
- To continue to build upon the principles of the CHARACTER COUNTS! program (Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship) in order to help each of us to develop good character and use it in our everyday lives.

PHYSICAL FITNESS TESTS

The Clovis Unified School District Physical and Health-Related Fitness Test will be given and is a substantial part of your grade. Students must show effort and improvement over the course of the year in areas associated with PFT testing. A student's grade may reflect deductions based on their lack of effort or performance. Students with medical excuses are encouraged to run the mile to tolerance. The students are tested in the following areas: Mile Run, Sit-n-Reach, Modified Pull-ups, Curl-ups, and Trunk lift.

LOCKER ROOM PROCEDURE

DO NOT RUN IN THE LOCKER ROOM!!!

Horse play, running, and fighting are strictly forbidden. Lockers are for clothes only and personal items. If your bag does not fit in your locker, there is a designated area in the coaches offices for your backpacks to be locked up. **DO NOT LEAVE YOUR BAGS OUT!!!**

Locker rooms are closed during class, break and lunch. Students will not be allowed to come in during those times to get items from their lockers or put them away.

Lockers are assigned for the school year to each student. Students are not allowed to switch lockers at all unless there is a specific circumstance that requires the PE coaches to move them to another locker. The lockers are school property and students are not allowed to personalize (writing, stickers, etc.) in any way. Personalizing a locker is considered vandalism and will be dealt with through administration.

Students must purchase or use a school lock. We have new locks available for \$6 and used locks for \$3. If for some reason a student cannot purchase a lock they need to see their PE Coach.

Do not reveal your combinations to anyone. Always check your lock before leaving by rolling the tumbler and pulling downward on the lock.

If a student is missing a lock or loses their lock they need to see a PE Coach in the office immediately, so the coach can help them with the situation. If the student cannot find the lock they will need to purchase another school lock, either a new lock for \$6 or used lock for \$3.

Showers are available, but you must bring your own towel. Also showers are only used during our swim unit.

ATHLETIC GAMEDAYS

Other than special circumstance, **ALL** athletes are required to dress out in their PE clothes and participate on game days. They may not wear their uniforms to PE class.
