Learn Clovis Unified Graduation and CSU/UC A-G Subject Requirements

To earn your Clovis East High School diploma, you must take a certain combination of classes across different subject areas. Familiarize yourself with CUSD graduation and CSU/UC A-G subject requirements and plan your class schedule to make sure you meet them.

Check Student Connect Daily!

Bookmark Student Connect on your laptop, computer, and/or smart phone and log in daily! You have the same ID number and password used at Rebyrn Intermediate School. If you did not attend middle school in Clovis Unified then see our school registrar (Mrs. Claudia Dickie) in the Clovis East Main Office. Make sure to check to see if all assignments have been turned in and credit given. If you need help ask your teachers, visit the Library, and/or see your counselor.

Complete All Assignments On Time.

Missing assignments are not acceptable. If you do not understand how to complete an assignment, ask your teacher for help before, during, and after class. You can also attend a Reagan Educational Center (REC) Intervention Lab. Whether you need help with homework or just want clarification on an assignment, the lunch and after school REC Intervention Labs are the place for you. Teachers are available to help you with almost any subject. Please see the REC Intervention Lab Schedule for times, locations, websites, and more. You can pick up a copy of the REC Intervention Schedule in the Counseling Center or online on the school's website: rec.cusd.com

Explore Xello and Virtual Job Shadow Through Clever

There is no magic formula for choosing a college or deciding on a future career but exploring your options in Xello and Virtual Job Shadow is a great place to begin. Xello and Virtual Job Shadow are complete college and career planning programs and FREE to all CEHS students. You can access Xello and Virtual Job Shadow by logging into your student account, click on the blue Clever button (upper right-hand corner) and then click on the Xello or Virtual Job Shadow icon. You can take career assessments, learning style assessments, look for local jobs, build a resume, and much, much more.

Get Involved!

Explore clubs, sports, and academic teams that interest you. Visit the "Co-Curricular" tab on the school's website (rec.cusd.com) to access a list of clubs and academic teams offered at Clovis East High School. To be notified about volunteer services, go to the website and look on the "Counseling" tab. Getting involved is a fun and great way to build your resume.

Build Your Resume!

It's time to create/build your Educational Resume with all of your school & community activities, service, and awards. If you do not have any of these yet then try to get involved with clubs, sports, academic teams, visual/performing art teams, with a church, youth group, community service team/program, work experience, etc. If you are not sure what an educational resume looks like, a template can be picked up in the Counseling Center or found on our website on the COUNSELING RESOURCES page.

Most Importantly... Make Good Decisions!

Make good decisions before school, during class, after school, and especially on social media... ALWAYS! Take care of yourself, take care of each other, and take care of Clovis East High School!
