CUSD SENIOR EXPECTATIONS

There are high expectations for seniors as the spring semester approaches and Graduation is on the horizon. Unfortunately, every year there are seniors who are not able to participate in Senior Activities or the Graduation Ceremony because of disciplinary referrals, failing classes, attendance issues, or poor decisions. Senior Activities include but are not limited to Prom, Grad Nite, the Farewell Assembly, and Graduation.

We want to make sure that all seniors understand the expectations for grades, behavior, and attendance during the spring semester. Failure to meet these expectations could lead to students not being able to participate in these important extra events.

PASSING CLASSES

- Seniors are expected to have passing grades in all classes at all times in order to maintain Senior Privileges.
- On White Card Day, any Senior who has not passed a required class and/or does not have enough credits to graduate will be contacted and informed they will not be allowed to participate in Senior Activities or Graduation Ceremonies.

BEHAVIOR REFERRALS

- Any senior who commits a suspendable offense or a Code of Conduct offense during the first or second semester of their Senior year may be removed from participating in some or ALL Senior Activities, including the Graduation Ceremony at any of our CUSD sites.
- Any senior in an off-site Alternative Educational setting during the second semester will not be enrolled in CEHS and therefore will not be allowed to attend ANY Senior Activities, including the Graduation Ceremony.
- Students placed in a site-based Alternative Education setting due to disciplinary reasons will not be allowed to attend ANY extra Senior Activities or to participate in the Graduation Ceremony.

ATTENDANCE

- Students are expected to attend all classes. Truancies, excessive absences, or tardies could result in loss of Senior Privileges and Senior Activities including Graduation.

SPECIAL CIRCUMSTANCES REGARDING STUDENTS WHO ARE 18 YEARS OLD

- It is important to understand when a student turns 18 years old in the State of California, he/she is considered an adult. Enrollment at Clovis East High School as an adult is a privilege. Any violation of grades, behavior, and/or attendance may result in transfer to Adult School which would result in being removed from ALL Senior Activities including the Graduation Ceremony.

I have read the above information and understand that Senior Activities are a privilege that can be lost because of poor attendance, behavior, grades, or other poor decisions.

All seniors will be participating in the 8th Annual Parade of Graduates, also called Grad Walk, on Wednesday, May 22nd. Clovis East Alma Mater

When the morning light has come
And the night has been released
We turn toward the rising sun
Watching over Clovis East.
Where the sweet green fields abound,
Hallowed halls we walk in peace;
And the circle of our town
Comes together Clovis East.
Clovis East, your Sierras standing guard
over your dream.
Clovis East, fill the valley with our spirit
strong and clean.
Proud the legacy we leave,
Glorious victories achieved,
Timberwolves come stand beside me
...Clovis East.

CODE OF CONDUCT FOR STUDENT PARTICIPANTS IN EXTRA-CURRICULAR/ATHLETIC ACTIVITIES

We believe that extra-curricular activities, including athletics, should demonstrate high standards of ethics and sportsmanship and promote the development of good character and other important life skills. We also believe that the highest potential of activities is achieved when participants are committed to pursuing victory with honor according to six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship (the “Six Pillars of Character”). This Code of Conduct applies to all students involved in extracurricular activities, including athletics.

A. Trustworthiness

1. Trustworthiness: Be worthy of trust in all you do.
2. Integrity: Live up to high ideals of ethics and sportsmanship and always pursue victory with honor; do what’s right even when it’s unpopular or personally costly.
3. Honesty: Live and compete honorably; don’t lie, cheat, steal, violate the laws of the community or engage in any other dishonest or unsportsmanlike conduct.
4. Reliability: Fulfill commitments; do what you say you will do; be on time to practices and events.
5. Loyalty: Be loyal to your school and team; put the team above personal glory.

B. Respect

1. Respect: Treat all people and school or private property with respect at all times and require the same of fellow students.
2. Class: Live and play with class, be a good sport, be gracious in victory and accept defeat with dignity, help up fallen opponents, compliment extraordinary performance, and show sincere respect in pre- and post-event/game rituals.
3. Disrespectful Conduct: Don’t engage in disrespectful conduct of any sort including profanity, obscene gestures, offensive remarks of a sexual nature, trash-talking, taunting, hate motivated behavior, vandalism of property, boastful celebrations, gang related activity, sexual harassment, threat or intimidation of a student or group of students, hazing of any student, or other actions that demean individuals or the activity.
4. Respect Officials/Supervisors: Treat contest officials with respect; don’t complain about or argue with official calls or decisions during or after an athletic event. Treat supervisors with respect at all times.

C. Responsibility

1. Importance of Education: Be a student first and commit to attending school on a regular basis without truancy problems and to earning your degree and getting the best education you can. Be honest with yourself about the likelihood of getting an athletic scholarship or playing on a professional level and remember that many universities will not recruit students that do not have a serious commitment to their education, the ability to succeed academically, or the character to represent their institution honorably.
2. Role-Modeling: Remember, participation in an extra-curricular activity, including a sport, is a privilege, not a right, and that you are expected to represent your school, coach/advisor, and teammates with honor on and off the field. Consistently exhibit good character and conduct yourself as a positive role model.
3. Self-Control: Exercise self-control; don’t fight or show excessive displays of anger, frustration and don’t possess any type of weapon or use a weapon; have the strength to overcome the temptation to retaliate.
4. Healthy Lifestyle: Safeguard your health; don’t use any illegal or unhealthy substances including alcohol, tobacco, and drugs; don’t sell or furnish any controlled substance; don’t engage in any unhealthy techniques to gain, lose, or maintain weight; don’t attend a party or activity where alcohol or other controlled substance are being illegally used.
5. Integrity of the Game: Protect the integrity of the game; don’t gamble or associate with or deal with professional gamblers.
6. Sexual Conduct: Sexual or romantic contact of any sort between students and coaches/advisors is improper and strictly forbidden. Report misconduct to proper authorities. The possession of pornographic materials is improper and strictly forbidden.

D. Fairness

1. Be Fair: Live up to high standards of fair play; be open-minded; always be willing to listen and learn.

E. Caring

1. Concern for Others: Demonstrate concern for others; never intentionally injure any player or engage in reckless behavior that might cause injury to yourself or others.
2. Teammates: Help promote the well-being of teammates by positive counseling and encouragement or by reporting any unhealthy or dangerous conduct to coaches.

F. Citizenship

1. Play by the Rules: Maintain a thorough knowledge of and abide by all applicable game and competition rules.
2. Spirit of rules: Honor the spirit and the letter of rules; avoid temptations to gain competitive advantage through improper gamesmanship techniques that violate the highest traditions of sportsmanship.
3. Integrity: Refuse any solicitation by a District staff member or any representative of the District’s interests for the purpose of securing enrollment and ultimate participation in the District’s programs; reject any undue influence in the inducement for enrollment, transfer to, or to remain in the District for purposes of participation in District extra-curricular or athletic programs; refuse any direct or indirect offer of a salary, gratuity, education expenses, excessive or improper expenses, awards, benefits, cash or the equivalent thereof for participation in the District’s programs.

I have read and understand the requirements of the Code of Conduct for Student Participants in Extra-Curricular/Athletic Activities and acknowledge that I may be disciplined or removed from a team/activity if I violate any of its provisions.
